PROFILE SUMMARY

HR professional with 8 months of internship experience across HR data, recruitment, onboarding, and auditing — driven by a genuine love of learning. Currently expanding my skill set in AI tools for HR and generative AI workflows, and building German language proficiency (B1 level, Duolingo score: 60) alongside my HR expertise. Skilled in Microsoft Excel and employee data management, with a track record of quickly adapting to new systems and processes. Looking for a role where curiosity and continuous upskilling are valued as much as experience.
